BRIEF ABSTRACT OF LETTER

Requests sanction to the Municipal Council's proposal to call the group of buildings which have recently sprung up on the Old Pioneercherry to the west of the new Chamarajpet as "Krishnarajya Agrahar" after the name of His Highness the Maharaja

The Kovvuch Post Office which has been located in one of the buildings in that locality was called "the Chamarajendrapet Post Office". Besides, the area itself is too small and the houses which have already sprung up too few to admit of sufficient dignity and importance being attached to it Consistent with the dignity of the auspicious name of His Highness

2 It is, on the other hand, under contemplation to form an extension to the east of the Fort Cantonment Road corresponding to the Sankarapuram Extension, and the so-called model villas and bungalows will be located in that area. Under such conditions, that extension when formed will be as popular as Sankarapuram Extension and will besides gain dignity and importance from the number of villas and bungalows which will spring up in that locality. If that is the case, it is for consideration whether the unique honour contemplated by the Municipal Council may not be reserved for that or some other equally important extension instead of being bestowed on the group of buildings under reference. In this connection, attention is invited to
